Annual Report for Fiscal Year 2009/10.

# Auditor's Report.

## Report on the Consolidated Financial Statements.

We have audited the accompanying consolidated financial statements of Kapsch TrafficCom AG, Vienna, for the fiscal year from 1 April 2009 to 31 March 2010. These consolidated financial statements comprise the consolidated balance sheet as of 31 March 2010, the consolidated statement of comprehensive income, the consolidated cash flow statement and the consolidated statement of changes in equity for the year ending 31 March 2010, and the notes to the consolidated financial statements.

### **Management's Responsibility for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with International Financial Reporting Standards (IFRS) as adopted by the EU, and with the legal provisions applicable in Austria. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable under the circumstances.

### **Auditor's Responsibility and Description of Type and Scope of the Statutory Audit**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with laws and regulations applicable in Austria and Austrian Standards on Auditing, as well as in accordance with International Standards on Auditing (ISA) issued by the International Auditing and Assurance Standards Board (IAASB) of the International Federation of Accountants (IFAC). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate under the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

Our audit did not give rise to any objections. Based on the results of our audit, in our opinion the consolidated financial statements comply with legal requirements and give a true and fair view of the financial position of the Group as of 31 March 2010 and of its financial performance and its cash flows for the financial year from 1 April 2009 to 31 March 2010 in accordance with International Financial Reporting Standards (IFRS) as adopted by the EU.

## Comments on the Management Report for the Group.

Pursuant to statutory provisions, the management report for the Group is to be audited as to whether it is consistent with the consolidated financial statements and whether the other disclosures in the management report for the Group do not give rise to a misstatement of the Group's financial position. The auditor's report also has to contain a statement as to whether the management report for the Group is consistent with the consolidated financial statements and whether the disclosures pursuant to Section 243a UGB are appropriate.

In our opinion, the management report for the Group is consistent with the consolidated financial statements. The disclosures pursuant to Section 243a UGB are appropriate.

Installed at the gates of electronic toll collection systems for flawless identification of the traffic participants: the toll camera.

Operators of electronic toll collection systems invest the generated revenues in many ways, such as significantly improving traffic safety in critical zones like tunnels or urban population centers.

Kapsch TrafficCom is an international supplier of superior intelligent transportation systems (ITS). Its principle business is the development and supply of electronic toll collection (ETC) systems, in particular for the multi-lane free-flow (MLFF) of the traffic, and the technical and commercial operation of such systems. Kapsch TrafficCom also supplies traffic management systems, with a focus on road safety and traffic control, and electronic access systems and parking management. With more than 230 references in 38 countries in all 5 continents, and with almost 18 million on-board units (OBUs) delivered and nearly 13,000 lanes equipped, Kapsch TrafficCom has positioned itself among the leading suppliers of ETC systems worldwide. Kapsch TrafficCom is headquartered in Vienna, Austria, and has subsidiaries and representative offices in 25 countries.
