Kapsch TrafficCom AG: Cancellation of Tender in Poland.

Vienna, January 22, 2018 – Kapsch TrafficCom has been informed about the cancellation of the tender for a nation-wide tolling system in Poland. This was the expected consequence of the government's efforts to have the tolling system operated by government agencies. The running contract with Kapsch TrafficCom regarding the operation of the nation-wide tolling system is not affected by this. Kapsch TrafficCom will endeavor to secure any available follow-up business in Poland.

Kapsch TrafficCom is a provider of intelligent transportation systems in the fields of tolling, traffic management, smart urban mobility, traffic safety and security, and connected vehicles. As a one-stop solutions provider, Kapsch TrafficCom offers end-to-end solutions covering the entire value creation chain of its customers, from components and design to the implementation and operation of systems. The mobility solutions supplied by Kapsch TrafficCom help make road traffic safer and more reliable, efficient, and comfortable in urban areas and on highways alike while helping to reduce pollution.

Kapsch TrafficCom is an internationally renowned provider of intelligent transportation systems thanks to the many projects it has brought to successful fruition in more than 50 countries around the globe. As part of the Kapsch Group, Kapsch TrafficCom has subsidiaries and branches in more than 30 countries. It has been listed in the Prime Market of the Vienna Stock Exchange since 2007 (ticker symbol: KTCG). Kapsch TrafficCom currently has more than 4,800 employees, and generated revenue of approximately EUR 648 million in fiscal year 2016/17.
